Amendments to U.S. Futures Exchange, LLC Rule Book

U.S. Futures Exchange, LLC (USFE) is launching futures on ISE Sector Indexes on September 14, 2007. In accordance with the Commodity Exchange Act and regulations, USFE has adapted Rule 901, as well as supplemented Part 4 of the current Rule Book.

An updated version of the Rule Book has been posted at:

<http://www.usfe.com/download/USFE%20Rulebook%20-%209-12-07.pdf>

To view Rule 901 and changes to Part 4 of the USFE Rule Book, please refer to:

http://www.usfe.com/about_rules.html

Please note that the ISE Gold Index (HVY) will be temporarily unavailable for trading to allow for the reconstitution of the index. All other products (ISE Homebuilders Index, ISE SINdex, ISE-Revere Natural Gas Index, and ISE Water Index) will launch.

If you have any questions or require further information, please contact Matt Lisle at +1-312-356-3869 or e-mail mlisle@usfe.com.
